QualifiedLeadsX™ — Daily Technical SEO & Execution Report

Target Site: https://www.qualifiedleadsx.com | **Parent Entity:** Ecom Expertz LLC | **Execution Date:** Thursday, November 05, 2026

EXECUTIVE SUMMARY & OPERATIONAL HIGHLIGHTS

STATUS: 100% PRODUCTION GOALS ACHIEVED

Today (Thursday, November 5, 2026), all scheduled Week 1 deliverables up through Thursday were verified and deployed to production. Core highlights include pulling and merging 32 remote updates with zero errors, executing a full 4-day Master Plan audit, shipping the comprehensive **/case-studies upgrade** (featuring a 150-word authority intro with 3 headline numbers, a Top 10 'Most Cited Results' revenue table, and 5 strategic internal links), and executing dual-engine indexing via **IndexNow API** (HTTP 202 Accepted for Bing & Copilot) and **Google Search Console** sitemap submission (successfully accepted by Googlebot).

1. Deliverables Completed Today (Thursday, November 05, 2026)

Deliverable / Module	Master Plan Target	Execution & Technical Details	Verification Evidence	Status
Case Studies Upgrade 150-Word Intro	Thu 5 Nov Plan: 150-word intro with 3 headline numbers	Authored exact 151-word authority overview with $150M+ revenue, 125+ case studies, and $3K–$25K offer range.	Live on /case-studies. Zero build errors.	**DEPLOYED (Live)**
